প্রিয় শেয়ারহোল্ডারবৃন্দ,
আসসালামু আলাইকুম।

আমি পরিচালনা পর্ষদ এর পক্ষ হতে সকল সন্মানিত শেয়ারহোল্ডারগণকে তাদের অব্যাহত সমর্থন জানানোর জন্য কৃতজ্ঞতা জ্ঞাপন করছি এবং একইসাথে কোম্পানীর ৩০শে জুন ২০১৭ তারিখে সমাপ্ত অর্থ বছরের কার্যক্রমের উপর একটি সংক্ষিপ্ত চিত্র উপস্থাপন করছি।

আমি পূর্বেই আপনাদের অবগত করেছিলাম যে, দেশে প্রাকৃতিক গ্যাসের মজুদ ক্রমান্বয়ে কমে যাওয়ার কারণে সি.এন.জি.-র ব্যবসাও কমে আসছে। এছাড়াও, অন্যান্য কারণের মধ্যে সরকার কতক সি.এন.জি রেশনিং এবং প্রাকৃতিক গ্যাস ব্যবহারে নিরুৎসাহিত করার কারণও রয়েছে। এরই ধারাবাহিকতায় আমাদের সি.এন.জি কনভারশন ওয়ার্কশপ এর ব্যবসার উপরেও একটি বিরূপ প্রভাব পরেছে। ফলশ্রুতিতে, কোম্পানী তার সি.এন.জি ব্যবসায় প্রত্যাশিত মুনাফা অর্জনে সক্ষম হয় নাই। যা হোক, আমি আনন্দের সাথে আপনাদেরকে অবগত করতে চাই যে, যদিও আলোচ্য বছরে সি.এন.জি বিক্রয় হ্রাস পায় তবুও কোম্পানীর সাবসিডিয়ারী -‘নাবানা ইঞ্জিনিয়ারিং লিমিটেড’ এর উৎপাদন ও বিক্রয় উল্লেখযোগ্য মাত্রায় বৃদ্ধি পেয়েছে; যার ফলে ‘নাবানা সি.এন.জি. লিমিটেড’ এর সার্বিক প্রবৃদ্ধি হ্রাস পায় নাই। এছাড়াও, অপর সাবসিডিয়ারী কোম্পানী -‘নাবানা ওয়েল্ডিং ইলেক্ট্রোড লিমিটেড’ও প্রবৃদ্ধি বৃদ্ধিতে একটি সহায়ক ভূমিকা পালন করে। উল্লেখ্য যে, গাজীপুর এর কালীগঞ্জে অবস্থিত -‘নাবানা ইঞ্জিনিয়ারিং লিমিটেড’ এর BMRE কার্যক্রম সম্পন্ন হয়েছে এবং পূর্ণ উৎপাদন শুরু করেছে। আশা করা যায় যে, ‘নাবানা ইঞ্জিনিয়ারিং লিমিটেড’ আগামী বছরগুলোতে কোম্পানীর বিক্রয় বৃদ্ধিতে আরো উল্লেখযোগ্য অবদান রাখবে।

‘নাবানা সি.এন.জি লিমিটেড’ এর নতুন সাবসিডিয়ারী -‘নাবানা এল.পি.জি লিমিটেড’ সম্পর্কে আমি উল্লেখ করতে চাই যে, কোম্পানীটির সকল অবকাঠামোগত কার্যক্রম সম্পন্ন হয়েছে এবং শীঘ্রই বাণিজ্যিক উৎপাদনে যাবে বলে আশা করা যায়। এখানে একটি বিষয়ে উল্লেখ করা প্রয়োজন যে, আপনাদের পরিচালনা পর্ষদ পূর্বেই আপনাদেরকে অবগত করেছিল যে, ‘নাবানা সি.এন.জি লিমিটেড’ এর এল.পি.জি ইউনিটটির সম্পদ ও দায় তার সাবসিডিয়ারী কোম্পানী -‘নাবানা এল.পি.জি লিমিটেড’ অধিগ্রহণ করার সিদ্ধান্ত নিয়েছে এবং বিষয়টি আসন্ন ১৩তম বার্ষিক সাধারণ সভায় Special Business হিসাবে আপনাদের সদয় অনুমোদনের জন্য অপেক্ষমান। আশা করা যায়, কোম্পানীটির উৎপাদন শুরু হলে প্রত্যাশিত মুনাফা অর্জন করে বিক্রয় খাতে একটি উল্লেখযোগ্য অবদান রাখবে।

আমি কোম্পানীর শেয়ারহোল্ডারবৃন্দ, গ্রাহক, রেন্টেলটরী কতৃপক্ষ, পৃষ্ঠপোষক, শুভাকাঙ্ক্ষীদের অব্যাহত সমর্থন ও তাদের সহযোগীতার জন্য আন্তরিক ধন্যবাদ জানাচ্ছি। আশা করি, আগামীতেও তাদের সহযোগীতা অব্যাহত থাকবে।

Message from the Chairman

Dear Shareholders,
Assalamu Alaikum,

I, on behalf of the Board of Directors, would like to express my gratitude and greetings to all the respected stakeholders for the continuous support and would also like to take the opportunity to enlighten briefly hereunder the performance of the Company in the year ended June 30, 2017.

As informed you earlier, the overall CNG business of the country is squeezing up due to declining reserve of natural gas followed by CNG rationing and discouraging policy of the Government. This has also an unfavourable impact on the sales of our CNG Conversion Workshops. Due to such situation, the CNG business could not achieve its desired target. However, I am pleased to inform you that although there was a decline in CNG sales, but the overall growth (consolidated) of the Company did not decline due to substantial increase of production and sales in its subsidiary – Navana Engineering Limited (NEL) followed by further support from it's another subsidiary – Navana Welding Electrode Limited (NWEL). It is important to mention here that the BMRE program of Navana Engineering Limited at Kaliganj, Gazipur has been completed and already gone into full-scale production. It is expected that Navana Engineering Limited will yield desired profit and continue to contribute substantially to the Company's revenue in the coming years.

As regards Navana LPG Limited (another subsidiary company of Navana CNG Limited), I have the pleasure to inform you that the total infrastructural works has been completed and expected to go into commercial production soon. It is important to mention here that the Board of Directors have already informed you earlier of its decision that the assets & liabilities of Navana LPG Unit of Navana CNG Limited shall be taken over by it's subsidiary Navana LPG Limited and that the matter is awaiting for your approval as special business in this 13th annual general meeting. With the commissioning of production of Navana LPG Limited, it is expected that it shall contribute a remarkable profit to the turnover of the Company.

I would like to express deep appreciation to the shareholders, customers, regulatory bodies, patrons and well wishers for their continuous support and co-operation extended to the Company. I expect ever greater support from them in the years to come.

Directors' report to the shareholders

Dear Shareholders

Assalamu Alaikum,

The Board of Directors of Navana CNG Limited is pleased to place herewith the Directors' Report and the Auditors' Report alongwith the audited financial statements of the Company for the year ended June 30, 2017.

PERFORMANCE:

REVENUE EARNINGS

As you aware that the Company at present running 19 CNG re-fueling stations, 10 CNG conversion workshops and a modern service center owned by the Company are in operation in different strategic locations of the country. The total sales of the year from CNG refueling stations, CNG conversion workshops, servicing workshops and spare parts stood at Tk. 159 crore.

'Navana Engineering Limited' the subsidiary Company earned during the year stood at Tk. 70.51 crore against Tk. 61.39 crore of last year which is Tk. 9.12 crore higher.

The earning of the subsidiary Company 'Navana Welding Electrode Limited' during the year sales stood at Tk. 29.90 crore compared to Tk. 30.15 crore of last year.

Financial Result and Appropriation of Profit:

amount in taka

Particulars	2017
Retained Earnings Brought Forward	1,250,462,254
Add: Total Comprehensive for the year	207,849,838
Profit available for appropriation	1,458,312,092
Proposed Cash Dividend	59,118,248
Net unappropriate profit	1,399,193,844
Total	1,458,312,092

Segment-wise or product-wise performance

The company is operating its business with its homogeneous products/services in a single economic and geographical segment within the territory of Bangladesh. However, segment report prepared and mentioned in notes 27 of the financial statements considering CNG re-fueling stations and CNG Conversion Workshop as two different segments.

Industry outlook and possible future developments in the industry

Your Board of Directors already has taken diversified business to get more financial benefit to the shareholders of the Company. Among two subsidiaries Company we are seeing the better prospect of Navana Engineering Limited and Navana Welding Electrode Limited. The 3rd subsidiary Company, Navana LPG Limited has already formed and expected to go into commercial production by end 2017.

Risks and concerns

The Conversion to CNG helped achieving the government's dual objectives of lowering air-pollution and improving the country's balance of payments. The prime raw-materials of the Company's business in CNG are presently in short supply. Exploration of new gas field can only improve the situation. The risk and concern of the CNG business solely depends on the government's policy e.g. increase of CNG price, high tariff on CNG cylinder and kits etc. The government suspended permission for setting up any new CNG re-fueling station, low gas pressure in CNG re-fueling stations etc.

Independent Auditors' Report to the shareholders of Navana CNG Limited and its Subsidiaries

We have audited the accompanying Financial Statements of Navana CNG Limited and its subsidiaries, which comprise the Consolidated Statement of Financial Position as at June 30, 2017, and the Consolidated Statement of profit or loss and other comprehensive income, Consolidated statement of changes in equity and Consolidated statement of cash flows for the year/period then ended, and a summary of significant accounting policies and other explanatory information disclosed in Notes 1 to 33 and Schedule-A. We have also audited the attached financial statements of Navana CNG Limited which comprise the statement of financial position as at June 30, 2017 and statements of cash flows for the period/ year then ended and a summary of significant accounting policies and other explanatory notes. The financial statements of subsidiary disclosed in note 2.4 to the financial statements are audited by Rahman Mostafa Alam & Co.

Management's Responsibility for the Financial Statements:

The Management is responsible for the preparation and fair presentation of these financial statements in accordance with Bangladesh Accounting Standard (BAS)/Bangladesh Financial Reporting Standards (BFRS), the Companies Act 1994 and other applicable laws and regulations and for such internal control as management determines, which is necessary to enable the preparation of financial statements that are free from material misstatement, where due to fraud or error.

Auditor's Responsibility:

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Bangladesh Standards on Auditing (BSA). Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance where the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing and opinion on the effectiveness of the entity's internal control. An audit also includes evaluation the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements prepared in accordance with Bangladesh Accounting Standard (BAS)/Bangladesh Financial Reporting Standards (BFRS), give a true and fair view of the state of the company's affairs as of June 30, 2017 and of the results of its operations and its cash flows for the period then ended and comply with the Companies Act 1994, the Securities and Exchange Rules, 1987 and other applicable laws and regulations.

Emphasis of Matter:

We draw attention to the note no 2.26 of the Financial Statements which describes that due to the effect of changes in reporting date of the company as per direction of Finance Act 2015 the comparative statements for the Financial Statements June 30, 2017 were not specifically audited. The comparative figure has been reproduced from the audited financial statements for the period April 01, 2015 to June 30, 2016.

Our opinion is not qualified in this respect.

We also report that:

- We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit and made due verification thereof ;
- In our opinion, proper books of accounts as required by law have been kept by the company so far as it appeared from our examination of those books ;
- the company's financial position and statement of comprehensive income dealt with by the report are in agreement with the books of account and returns; and
- the expenditure incurred was for the purposes of the company's business.

Independent Auditors' Report to the shareholders of Navana CNG Limited

We have audited the accompanying Financial Statements of Navana CNG Limited, which comprise the Statement of Financial Position as at June 30, 2017, and the Statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year/period then ended, and a summary of significant accounting policies and other explanatory information disclosed in Notes 1 to 33 and Schedule-A.

Management's Responsibility for the Financial Statements:

The Management is responsible for the preparation and fair presentation of these financial statements in accordance with Bangladesh Accounting Standard (BAS)/Bangladesh Financial Reporting Standards (BFRS), the Companies Act 1994 and other applicable laws and regulations and for such internal control as management determines, which is necessary to enable the preparation of financial statements that are free from material misstatement, where due to fraud or error.

Auditor's Responsibility:

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Bangladesh Standards on Auditing (BSA). Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance where the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing and opinion on the effectiveness of the entity's internal control. An audit also includes evaluation the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements prepared in accordance with Bangladesh Accounting Standard (BAS)/Bangladesh Financial Reporting Standards (BFRS), give a true and fair view of the state of the company's affairs as of June 30, 2017 and of the results of its operations and its cash flows for the period then ended and comply with the Companies Act 1994, the Securities and Exchange Rules, 1987 and other applicable laws and regulations.

Emphasis of Matter:

We draw attention to the note no 2.26 of the Financial Statements which describes that due to the effect of changes in reporting date of the company as per direction of Finance Act 2015 the comparative statements for the Financial Statements June 30, 2017 were not specifically audited. The comparative figure has been reproduced from the audited financial statements for the period April 01, 2015 to June 30, 2016.

Our opinion is not qualified in this respect.

We also report that:

- We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit and made due verification thereof ;
- In our opinion, proper books of accounts as required by law have been kept by the company so far as it appeared from our examination of those books ;
- The Company's Statement of Financial Position and Statement of Comprehensive Income dealt with by the report are in agreement with the books of accounts ;
- The expenditures incurred and payments made were for the purpose of the company's business.

2. Significant accounting policies and basis of preparation of the financial statements

2.1 Corporate financial statements and reporting

The financial statements comprises statement of financial position, statement of comprehensive income, statement of changes in equity, statement of cash flows, notes and explanatory materials covering accounting policies.

These financial statements are prepared under the historical cost convention and in accordance with the requirements of the Companies Act, 1994, the Securities and Exchanges Rules 1987 and other applicable laws, rules & regulations and the International Accounting Standards (IAS) and International Financial Reporting Standards (IFRS) adopted by the Institute of Chartered Accountants of Bangladesh (ICAB) as well as those standards, disclosures recommended by IASs and as applicable to this Company.

The Board of Directors is responsible for preparing and presenting the financial statements including adequate disclosures, which approved and authorized for issue of this financial statements.

The preparation of the financial statements in conformity with the Bangladesh Accounting Standards (BASs) requires Board of Directors to make estimates and assumptions that affect the reported amounts of revenues and expenses, assets and liabilities at the date of the reporting period. Due to the inherent uncertainty involved in making estimates, actual result reported could differ from those estimates.

2.2 Reporting period

The period of the financial statements covers from July 01, 2016 to June 30, 2017.

Navana CNG Limited and its Subsidiaries

Notes to the Financial Statements

2.3 Functional and presentational (reporting) currency

The financial statements are prepared and presented in Bangladesh Currency (Taka), which is the Company's functional currency.

2.4 Basis of consolidation

The consolidated financial statements incorporate the financial statements of the Company and entities controlled by the Company (its subsidiaries). Control is achieved where the Company has the power to govern the financial and operating policies of an entity so as to obtain benefits from its activities.

Income and expenses of subsidiaries acquired or disposed of during the year are included in the consolidated statement of comprehensive income from the effective date of acquisition and up to the effective date of disposal, as appropriate. Total comprehensive income of subsidiaries is attributed to the owners of the Company and to the non-controlling interests even if this results in the non-controlling interests having a deficit balance.

When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with those used by other members of the Group.

All intra-group transactions, balances, income and expenses are eliminated in full on consolidation.

The consolidated financial statements comprise consolidated statement of financial position, consolidated statement of comprehensive income, consolidated statement of cash flows, consolidated statement of changes in equity and consolidated notes and explanatory materials covering accounting policies.

2.5 Principal accounting policies

The specific accounting policies selected and applied by the Company's directors for significant transactions and events that have material effect within the framework of BAS-1 "Presentation of Financial Statements", in preparation and presentation of financial statements have been consistently applied throughout the year and were also consistent with those used in earlier years.

For a proper understanding of the financial statements, these accounting policies are set out below in one place as prescribed by the BAS-1 "Presentation of Financial Statements". The recommendations of BAS-1 relating the format of financial statements were also taken into full consideration for fair presentation.

2.6 Significant accounting estimates and judgments

Estimates, assumptions concerning the future and judgments are made in the preparation of the financial statements. They affect the application of the Company's accounting policies, reported amounts of assets, liabilities, income and expenses, and disclosures made. They are assessed on an on-going basis and are based on experience and relevant factors, including expectations of future events that are believed to be reasonable under the circumstances.

The key assumptions concerning the future and other key sources of estimation or uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

(i) Income taxes

The Company has exposure to income taxes in Bangladesh. Significant judgment is involved in determining the Company-wide provision for income taxes. There are certain transactions and computations for which the ultimate tax determination is uncertain during the ordinary course of business. The Company recognizes liabilities for expected tax issues based on estimates of additional taxes that might be due. Where the final tax outcome of these matters is different from the amounts that were initially recognized, such differences will impact the income tax and deferred tax provisions in the period in which such determination is made.

The Company has enjoyed tax holiday up to April 2009 and accordingly necessary provisions has been made for Tax holiday period.

Navana CNG Limited and its Subsidiaries

Notes to the Financial Statements

(ii) Depreciation of machinery and equipment

The costs of machinery and equipment for the manufacturing activities are depreciated on a written down value basis over the useful lives of the machinery. Management estimates the useful lives of the plant and equipment. These are common life expectancies applied in the industry. Changes in the expected level of usage and technological developments could impact the economic useful lives and the residual values of these assets, therefore future depreciation charges could be revised.

2.7 Regulatory and legal compliance

The Company complied with requirement of the following regulatory and legal authorities:

The Companies Act, 1994;

The Securities and Exchange Rules, 1987;

The Securities and Exchange Ordinance, 1969;

The Income Tax Ordinance, 1984;

The Value Added Tax Act, 1991; and

The rules and regulations of Dhaka Stock Exchange Ltd., Chittagong Stock Exchange Ltd., and Central Depository Ltd.

2.8 Foreign currency

Transactions in foreign currencies are measured in the functional currency of the Company and are recorded on initial recognition in the functional currency at exchange rates approximating those ruling at the transaction dates. Monetary assets and liabilities denominated in foreign currencies are translated at the rate of exchange ruling at the date of financial position. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates as at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined.

2.9 Financial assets

Financial assets are classified as either financial assets at fair value through profit or loss, loans and receivables, held-to-maturity investments, or available-for-sale financial assets, as appropriate. Financial assets are recognized on the statement of financial position when, and only when, the Company becomes a party to the contractual provisions of the financial instrument. When financial assets are recognized initially, they are measured at fair value, plus, in the case of financial assets not at fair value through profit or loss, directly attributable transaction costs. The Company determines the classification of its financial assets after initial recognition and, where allowed and appropriate, re-evaluates this designation at each financial year-end.

A financial asset is derecognized where the contractual rights to receive cash flows from the asset have expired. On de-recognition of a financial asset, the difference between the carrying amount and the sum of the consideration received and any cumulative gain or loss that has been recognized directly in equity is recognized in the income statement.

All Purchases and sales of financial assets are recognized or derecognized on the trade date, i.e. the date that the Company commits to purchase or sell the asset. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the period generally established by regulation or convention in the marketplace concern.

2.10 Impairment of financial assets

The Company assesses at each date of statement of financial position whether there is any objective evidence that a financial asset or the group of financial assets is impaired.

When the asset becomes uncollectible, the carrying amount of impaired financial assets is reduced directly or if an amount was charged to the allowance account, the amounts charged to the allowance account are written off against the carrying value of the financial asset. To determine whether there is objective evidence that an impairment loss on financial assets has been incurred; the Company considers factors such as the probability of insolvency or significant financial difficulties of the debtor and default or significant delay in payments. If, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognized, the previously recognized impairment loss is reversed to the extent that the carrying amount of the asset does not exceed its amortized cost at the reversal date. The amount of reversal is recognized in the income statement.

Navana CNG Limited and its Subsidiaries

Notes to the Financial Statements

2.11 Impairment of non financial assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any such indication exists, or when annual impairment assessment for an asset is required, the Company makes an estimate of the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's fair value less costs to sell and its value in use and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. Impairment losses of continuing operations are recognized in the income statement as 'impairment losses'.

An assessment is made at each reporting date as to whether there is any indication that previously recognized impairment losses recognized for an asset other than goodwill may no longer exist or may have decreased. If such indication exists, the recoverable amount is estimated. A previously recognized impairment loss is reversed only if there has been a change in the estimates used to determine the asset's recoverable amount since the last impairment loss was recognized. If that is the case the carrying amount of the asset is increased to its recoverable amount. That increased amount cannot exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Reversal of an impairment loss is recognized in the income statement. After such a reversal, the depreciation charge is adjusted in future periods to allocate the asset's revised carrying amount, less any residual value, on a systematic basis over its remaining useful life.

2.12 Revenue recognition

Revenue is recognized to the extent that is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured at the fair value of consideration received or receivable.

(a) Petrol and diesel vehicle conversion services

Revenue on petrol and diesel vehicle conversion services is recognized, net of Vat where applicable upon the completion of the conversion of vehicles to run on either the Bi-Fuel system or the CNG Fuel System and the delivery of the converted vehicles to the vehicle owners.

(b) Sale of CNG

Revenue from sale of CNG is recognized upon the transfer of significant risk and rewards of ownership of the goods to the customer. Revenue is not recognized to the extent where there are significant uncertainties regarding recovery of the consideration due, associated costs or the possible return of goods.

(c) Dividend

Dividend income is recognized when the Company's right to receive payment is established.

(d) Other revenues

Other revenues are recognized when services are rendered and bank interests are earned.

2.13 Property, plant and equipment

All items of property, plant and equipment are initially recorded at cost. The cost of an item of property, plant and equipment is recognized as an asset if, and only if, it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

Subsequent to recognition, property, plant and equipment are stated at cost less accumulated depreciation and any accumulated impairment losses. Land has an unlimited useful life and therefore is not depreciated. Depreciation of an asset is computed on a reducing balance method over the estimated useful life of the asset as follows:

Navana CNG Limited and its Subsidiaries

Notes to the Financial Statements

Name of Properties	Rate of depreciation
Land and land development	Nil
Buildings & Shed	10%
Plant and machinery	10%
Tools & Equipment	10%
Furniture & Fixtures	10%
Vehicles	10%

Fully depreciated assets are retained in the financial statements until they are no longer in use.

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable. The residual values, useful life and depreciation method are reviewed at each financial year-end to ensure that the amount, method and period of depreciation are consistent with previous estimates and the expected pattern of consumption of the future economic benefits embodied in the items of property, plant and equipment.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arises on de-recognition of the asset is included in the income statement in the year the asset is derecognized.

2.14 Inventories

Inventories are stated at the lower of cost and net realizable value. Costs incurred in bringing the inventories to their present location and conditions are accounted for as follows:

Raw materials: purchase costs on a weighted average basis;

Finished goods and work-in-progress: costs of direct materials and labor and a proportion of manufacturing overheads based on normal operating capacity.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale. Provision is made if necessary, for obsolete and slow-moving item.

2.15 Cash and cash equivalents

Cash in hand and cash at banks have been considered as cash and cash equivalents for the preparation of these financial statements, which were held and available for use by Company without any restriction and there was insignificant risk of changes in value of the same.

2.16 Income taxes

(i) Current tax

Current tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted by the date of statement of financial position.

(ii) Deferred tax

Deferred income tax is provided using the deferred method on temporary differences. Deferred tax assets and liabilities are recognized for all temporary differences, except:

Where the deferred tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction affects neither the accounting profit nor taxable profit or loss;

In respect of temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, where the timing of the reversal of the temporary differences can be controlled by the Company and it is probable that the temporary differences will not reverse in the foreseeable future; and

Navana CNG Limited and its Subsidiaries

Notes to the Financial Statements

In respect of deductible temporary differences and carry-forward of unused tax credits and unused tax losses, if it is not probable that taxable profit will be available against which the deductible temporary differences and carry-forward of unused tax credits and unused tax losses can be utilized.

(iii) Value added tax

Revenues, expenses and assets are recognized net of the amount of Value Added Tax except:

Where the value added tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case the value added tax is recognized as part of the cost of acquisition of the asset or as part of the expense item as applicable; and

Receivables and payables that are stated with the amount of value added tax included.

The net amount of value added tax recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the statement of financial position.

2.17 Provisions

Provisions are recognized when the Company has a present obligation as a result of a past event, it is probable that an outflow of resources will be required to settle the obligation and the amount of the obligation can be estimated reliably.

Provisions are reviewed at each statement of financial position date and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provision is reversed. If the effect of the time value of money is material, provisions are discounted using a current pre tax rate that reflects, where appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

2.18 Financial liabilities

Financial liabilities are recognized on the statement of financial position when, and only when, the Company becomes a party to the contractual provisions of the financial instrument. Financial liabilities are recognized initially at fair value, plus, in the case of financial liabilities other than derivatives, directly attributable transaction costs. Subsequent to initial recognition, all financial liabilities are measured at amortized cost using the effective interest method, except for derivatives, which are measured at fair value.

A financial liability is derecognized when the obligation under the liability is extinguished. For financial liabilities other than derivatives, gains and losses are recognized in the income statement when the liabilities are derecognized or impaired, and through the amortization process. Any gains or losses arising from changes in fair value of derivatives are recognized in the income statement. Net gains or losses on derivatives include exchange differences.

2.19 Borrowing costs

In compliance with the requirements of BAS 23 "Borrowing Costs" borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

Borrowing costs are recognized as expenses in the period in which they incurred and capitalized the same that incurred before commencement of commercial operation.

2.20 Leases

Finance leases, which transfer to the Company substantially all the risks and rewards incidental to ownership of the leased item, are capitalized at the inception of the lease at the fair value of the leased asset or, if lower, at the present value of the minimum lease payments. Any initial direct costs are also added to the amount capitalized. Lease payments are apportioned between the finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are charged to the income statement. Contingent rents, if any, are charged as expenses in the periods in which they are incurred. Capitalized leased assets are depreciated over the shorter of the estimated useful life of the asset and the lease term, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term.

Navana CNG Limited and its Subsidiaries

Notes to the Financial Statements

Operating lease payments are recognized as an expense in the income statement on a straight-line basis over the lease term. The aggregate benefit of incentives provided by the lesser is recognized as a reduction of rental expense over the lease term on a straight-line basis.

2.21 Employees' benefits

Employee leave entitlement

Employee entitlements to annual leave are recognized as a liability when they accrue to employees. The estimated liability for leave is recognized for services rendered by employees up to the date of statement of financial position.

Termination benefits

Termination benefits are payable when employment is terminated before the normal retirement date or whenever an employee accepts voluntary redundancy in exchange for these benefits. The Company recognizes termination benefits when it is demonstrably committed to either terminate the employment of current employees according to a detailed plan without possibility of withdrawal; or providing termination benefits as a result of an offer made to encourage voluntary redundancy. In the case of an offer made to encourage voluntary redundancy, the measurement of termination benefits is based on the number of employees expected to accept the offer.

Workers Profit Participation Fund

Provision for Workers Profit Participation Fund (WPPF) and Worker Welfare Fund (WWF) has been made @ 5% on net profit as per provision of The Bangladesh Labour Law, 2006 and payable to workers as defined in the said law.

2.22 Segment Reporting

A business segment is a distinguishable component of an entity that is engaged in providing an individual product or service or a group of related products or services and that is subject to risk and returns that are different from those of other business segment. The company has two distinguishable operating segments which are disclosed in note # 27.

A geographical segment is a distinguishable component of an entity that is engaged in providing products or services within a particular economic environment and that is subject to risks and returns that different from those of components operating in other economic environments. Since the company has operating all its activities in the same economic environment geographical segment reporting is not required.

2.23 Contingencies

A contingent liability or asset is a possible obligation or asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of uncertain future event(s) not wholly within the control of the Company. Contingent liabilities and assets are not recognized on the statement of financial position of the Company.

2.24 Earnings per share

Basic earnings per share

Basic earnings per share have been calculated in accordance with BAS-33 "Earnings per Share" which has been shown on the face of the income statement. This has been calculated by dividing the basic earning by the weighted average number of ordinary shares outstanding during the year.

Diluted earnings per share

No diluted earnings per share are required to be calculated for the year as there was no scope for dilution during the year under review.

2.25 Events after the reporting period

Events after the reporting period that provide additional information about the Company's position at the date of statement of financial position or those that indicate the going concern assumption is not appropriate are reflected in the financial statements. Events after the reporting period that are not adjusting events are disclosed in the notes when material.

**Independent Auditors' Report
To the Shareholders of
Navana Welding Electrode Limited**

We have audited the accompanying financial statements of Navana Welding Electrode Limited ("the Company") which comprise the statement of financial position as at June 30, 2017 and the statement of profit or loss and other comprehensive Income, statement of changes in equity, statement of cash flows for the year ended and a summary of significant accounting policies and other explanatory information disclosed in note 1 to 17.

Management's Responsibility for the Financial Statements

Management of the company is responsible for the preparation and fair presentation of these financial statements in accordance with Bangladesh Financial Reporting Standards (BFRSs), Companies Act 1994, and other applicable laws and regulations and for such internal control as management determines is necessary to enable the preparation of financial statement that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Bangladesh Standards on Auditing (BSAs). Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstance, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management of the company as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion:

In our opinion, the financial statements present fairly, in all material respects, give a true and fair view of the financial position of Navana Welding Electrode Limited as at June 30, 2017 and its financial performance and its cash flows for the year ended in accordance with Bangladesh Financial Reporting Standards (BFRSs), company Act 1994 and comply with the other applicable laws and regulations.

Other Matters

The comparative figures disclosed into the financial statements for the period from July 01, 2015 to June 30, 2016 has been compiled by the Company management from audited financial statements of two separate periods, i.e., April 01, 2015 to March 31, 2016 and April 01, 2016 to June 30, 2016.

We also report that:

- a) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit and made due verification thereof;
- b) in our opinion, proper books of account as required by the law have been kept by the Company so far as it appeared from our examination of these books; and

**Independent Auditors' Report
To the Shareholders of
Navana LPG Limited**

We have audited the accompanying financial statements of Navana LPG Limited ('the Company') which comprise the statement of financial position as at June 30, 2017 and the statement of profit or loss and other comprehensive Income, statement of changes in equity and statement of cash flows for the year then ended and a summary of significant accounting policies disclosed in notes 1 to 7.

Management's responsibility for the financial statements

Management of the company is responsible for the preparation and fair presentation of these financial statements in accordance with Bangladesh Financial Reporting Standards (BFRSs), Companies Act 1994 and other applicable laws and regulations and for such internal control as management determines is necessary to enable the preparation of financial statement that are free from material misstatement, whether due to fraud or error.

Auditors' responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Bangladesh Standards on Auditing (BSAs). Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstance, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management of the company as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements, give a true and fair view of the financial position of Navana LPG Limited as at June 30, 2017 and its financial performance and its cash flows for the year then ended in accordance with Bangladesh Financial Reporting Standards (BFRSs), Company Act 1994 and comply with the other applicable laws and regulations.

We also report that:

- a) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit and made due verification thereof;
- b) in our opinion, proper books of account as required by the law have been kept by the Company so far as it appeared from our examination of these books ; and
- c) the Company's Statement of Financial Position and Statement of profit or loss and other Comprehensive Income dealt with by the report are in agreement with the books of account .

iii. Functional and presentational (reporting) currency

The financial statements are prepared and presented in Bangladesh Currency (Taka), which is the Company's functional currency.

2. Principal accounting policies

The specific accounting policies selected and applied by the Company's directors for significant transactions and events that have material effect within the framework of BAS-1 "Presentation of Financial Statements", in preparation and presentation of financial statements have been consistently applied throughout the year and were also consistent with those used in earlier years.

For a proper understanding of the financial statements, these accounting policies are set out below in one place as prescribed by the BAS-1 "Presentation of Financial Statements". The recommendations of BAS-1 relating the format of financial statements were also taken into full consideration for fair presentation.

i. Property, plant and equipment

All items of property, plant and equipment are initially recorded at cost. The cost of an item of property, plant and equipment is recognized as an asset if, and only if, it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

ii. Borrowing costs

In compliance with the requirements of BAS 23 "Borrowing Costs" borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

Borrowing costs are recognized as expenses in the period in which they incurred and capitalized the same that incurred before commencement of commercial operation.

iii. Contingencies

A contingent liability or asset is a possible obligation or asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of uncertain future event(s) not wholly within the control of the Company. Contingent liabilities and assets are not recognized on the statement of financial position of the Company.

iv. Inventories

Inventories are stated at the lower of cost and net realizable value. Costs incurred in bringing the inventories to their present location and conditions are accounted for as follows:
